

# GRACE CHRISTIAN COVID -19 PROCEDURES

*Self-quarantine is recommended for individuals who have been directly exposed to the new Coronavirus or have history of travel in an infected or heavily populated areas.*

## Stay at home.

If your child is feeling sick or dealing with any flu like symptoms do not allow them to come to school.

*If students temperature is over 100 degrees they will be sent home.*

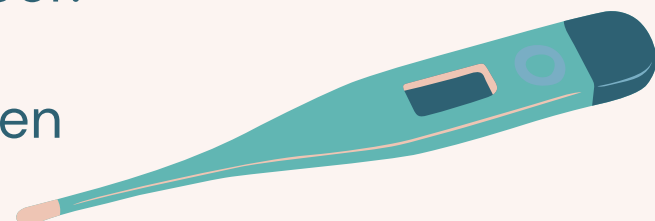

## Wash your hands.

In order to practice good hand hygiene students and parents will be given hand sanitizer at the front door.

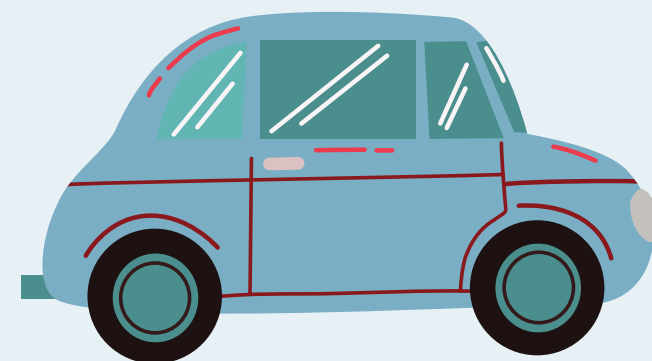

## Check your temperature.

Students temperature will be taken at the front door. Any visitors or parents temperature will be taken before entering the building.

## Pick up/ Drop off

Parents are asked to stay in their car to limit the number of people in the building. Students will be met at the door by a teacher/administrator to have their temperature taken and given handsanitizer.

## Watch for other symptoms.

Aside from fever, Covid-19 symptoms include cough, difficulty breathing, and fatigue.

## Practice social distancing.

Students will be spread out in classrooms to practice social distancing. Masks are advised but not mandatory.

## Call your doctor or hospital before returning.

If you need to seek medical attention whether for viral symptoms or other medical care reasons, contact your doctor or hospital . Students will not be allowed back to school without a doctors notice, clearing them of COVID-19.
